An outstanding custom built Home is located high on 2.18 acres overlooking Musquodoboit Harbour, famous for spectacular sunsets. The kitchen, dining- and living room of this open concept lifestyle leads to a spacious west facing deck lovely for relaxing and entertaining. The master bedroom with en-suite, and an additional room/office complete the main floor. The lower level consists of 2 generous bedrooms with a walkout to patio, full bath, and a laundry/mud room entrance. It is possible to envision a practical home office. Your dreams of the perfect Nova Scotia ocean front stacation property could come true in this idyllic setting.
